

COMMUNITY EDUCATION

The Workforce, Technical and Computer Information Sciences Division's Community Education offerings are designed for life enrichment. The varieties of personal offerings can enhance job skills, provide recreational opportunity, and provide applicable life skills for everyday use along with opportunities for entrepreneurship. Our offerings are often changing, so please visit our website at <https://www.wvup.edu/community-classes/> or contact us at (304) 424-8383.
