COSMETOLOGY, A.A.S.

The Associate of Applied Science in Cosmetology is a 4-semester program that provides instruction in all aspects of cosmetology. A career in cosmetology can take you as far as you want! Hairstylist, consultant, skin specialist, nail technician, esthetician, instructor, manager or salon owner are all possible. How about a makeup artist on a Hollywood movie set? The sky is the limit! Students begin in the fall semester and complete their studies over the next 16 months.

*NOTE: Previous cosmetology credits - earned more than three years ago - are not applicable toward WVUP's AAS-Cosmetology degree requirements.
